20 Best Practices adopted, if any  
**Enrichment of Teaching and Learning Process**

- On-line Feedback from students and alumni for strengthening the teaching-learning system.
- Improving Library with print and e-resources.
- Intensive use of technology and ICT enabled teaching-learning methods like Moodle, MOOCS, NPTEL, QEEE lectures, etc.

- Wi-Fi enabled campus encourages additional learning by way of access to website containing e-learning resources.
- Monitoring center for research for undergoing M.E. scholar's dissertation work
- Transparency ensured in evaluating students' academic performance
- 24x7 students' feedback about teachers' performance and follow-on action.
- Introduced appraisal of teachers' performance by the students twice in an academic year

**Enrichment of Skill Sets of Student**

- Promoting the students for their involvement in co-curricular activities within and outside the campus by assigning additional credit under an able guidance of faculty
- Industrial training and internship since second year of UG program
- Conducting guest lectures, workshops and seminars to encourage higher education
- Proctor system - each faculty member work as a proctor for a group of twenty students (five each from First year to final year B. E. program) for counseling and better performance of students.
- Advanced learners are encouraged to come out with innovative ideas / take up short term projects and they are involved in mentoring activities.
- Incubation center with the motive of encouraging the establishment of start-up companies in the immediate future
- Career guidance cells, soft-skill development activities, grievance redressal cell helping students to excel in academics.

**Interaction with Outside World**

- Establishment of tie-ups with renowned industries and institutes
- Motivation and support for students for appearing competitive exams and summer internship in industries, research Institute in India and abroad.
- Creation of Centers of Excellence to promote research in diversified fields to emerge in National and International level.
- Formation of Industry-Institute Partnership Cell to promote professional education and research.
- Academic flexibility and participation of industries in teaching.

**Faculty Development and Welfare**

- ERP implementation for management of Leave, Time table, Salary, Library, Exam and results, Fees Collection, Teaching learning processes, Admissions, etc.
- Appropriate functioning of grievance Redressal mechanism
- Implementation of CAS to promote faculty to higher post
- Enhance teacher quality, all the faculty members to pursue Ph.D.
- Encourage faculty members apply for research and development projects funded by DST, UGC, CSIR, AICTE, DRDO, etc.
- FDP courses for the benefit of faculty members.
- Faculty members organizing / attending short term courses in emerging areas.
- Encourage all faculties in research, consultancy and extension in new and emerging areas thereby revenue generation.
